**Subject:** SCE&G Rate Hike

I was shocked at the current inequities that exist between the areas Power Company's. SCE&G should not be allowed to increase their rates. We have **NO** choice and yet we pay the highest rates in the State/Region. SCE&G is even higher than Santee Cooper by 25%. Santee Cooper has 1/3 Nuclear and SCE&G has 2/3rds, a much cheaper power source. The only difference Santee Cooper pays no state taxes. I say no to a rate increase.
